

RENAULT SYMBIOZ E-TECH FULL HYBRID

145 HP

June 2024

technology that reconnects you

The ultimate lifestyle car, Renault Symbioz combines all the advantages of a compact vehicle with those of a family car. The interior is both technologically advanced and comfortable to ensure your well-being, with generous interior space, a solarbay® opaque panoramic sunroof, premium Harman Kardon® sound and the openR link multimedia system.

When technology meets interior comfort for an enhanced on-board experience.

solarbay® opacifying panoramic sunroof⁽¹⁾	openR link system with Google built-in⁽²⁾	29 advanced driver- assistance systems
Up to 624 litres⁽³⁾ of boot volume	E-Tech full hybrid 145 hp engine	up to 1,000 km of driving range⁽⁴⁾

(1) available as an option. (2) Google, Google Maps, Google News, Waze and other marks are trademarks of Google LLC. (3) with advanced bench seat. (4) with a full tank of petrol according to WLTP data.

avant-garde elegance

Its assertive personality defines the exterior style of Renault Symbioz. A long coupé, its dimensions remain compact to adapt to your needs. With its robust and refined grille with the new Renault identity, satin chrome logo and half-diamond brand light, each element of the design accentuates its charisma.

The radiator grille, made up of micro-diamonds, is adorned with a graphic effect. At the rear, the Symbioz signature emphasises the sharp lines.

The 19" pulsar wheels add a powerful look to the silhouette.

esprit Alpine

The Alpine spirit stands out through a number of distinctive features, including the schist grey F1 strip.

Special 19" Elixir Alpine style wheels and Alpine badge on the front wings for more sportiness. On board, the upholstery is stitched in the iconic Alpine blue and the distinctive badge features a blue/white/red flag on the seat backs and dashboard.

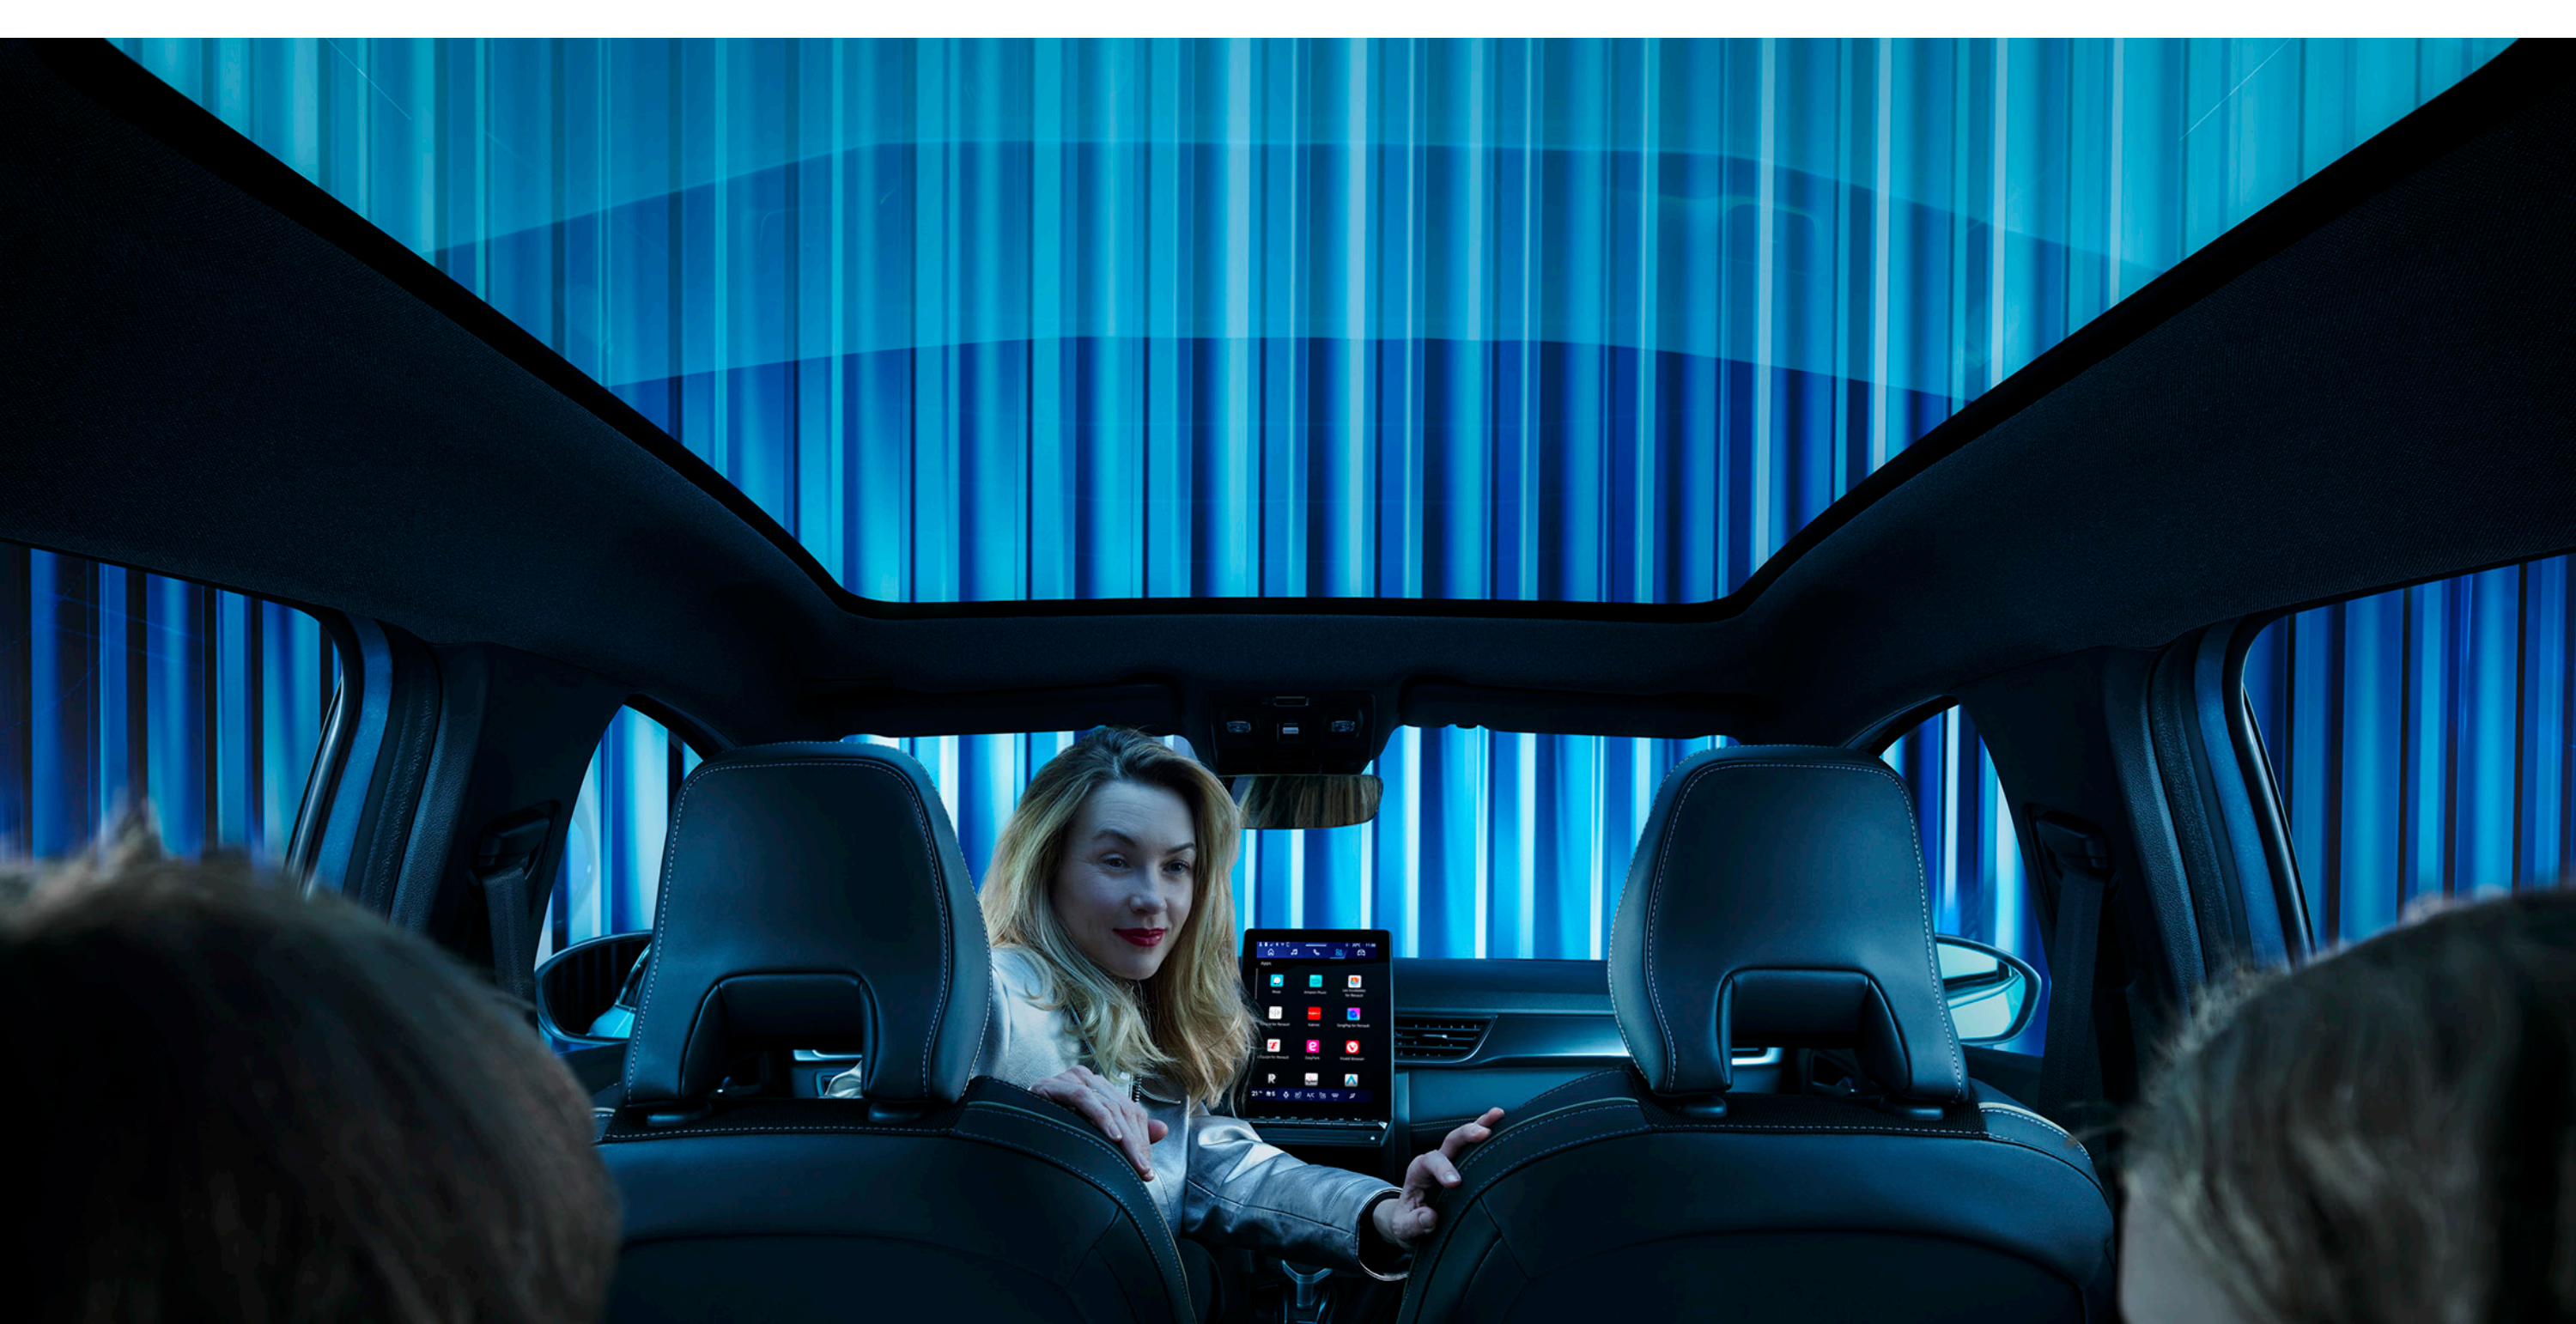

connect with well-being

Take a seat in a high-tech cockpit that enhances driving pleasure. With its steering wheel controls, the dashboard is streamlined and driving is simplified. Every passenger can enjoy the innovative view offered by the solarbay^{®(1)} opacifying panoramic sunroof and the customised sound environment created by Harman Kardon[®]. Whatever the journey, share the fun with family or friends.

The solarbay[®] technology can be activated by voice using Google Assistant⁽²⁾ or manually using a button on the ceiling light. Adjustable to 4 different opacity configurations, it maintains light and heat comfort on board in both summer and winter.

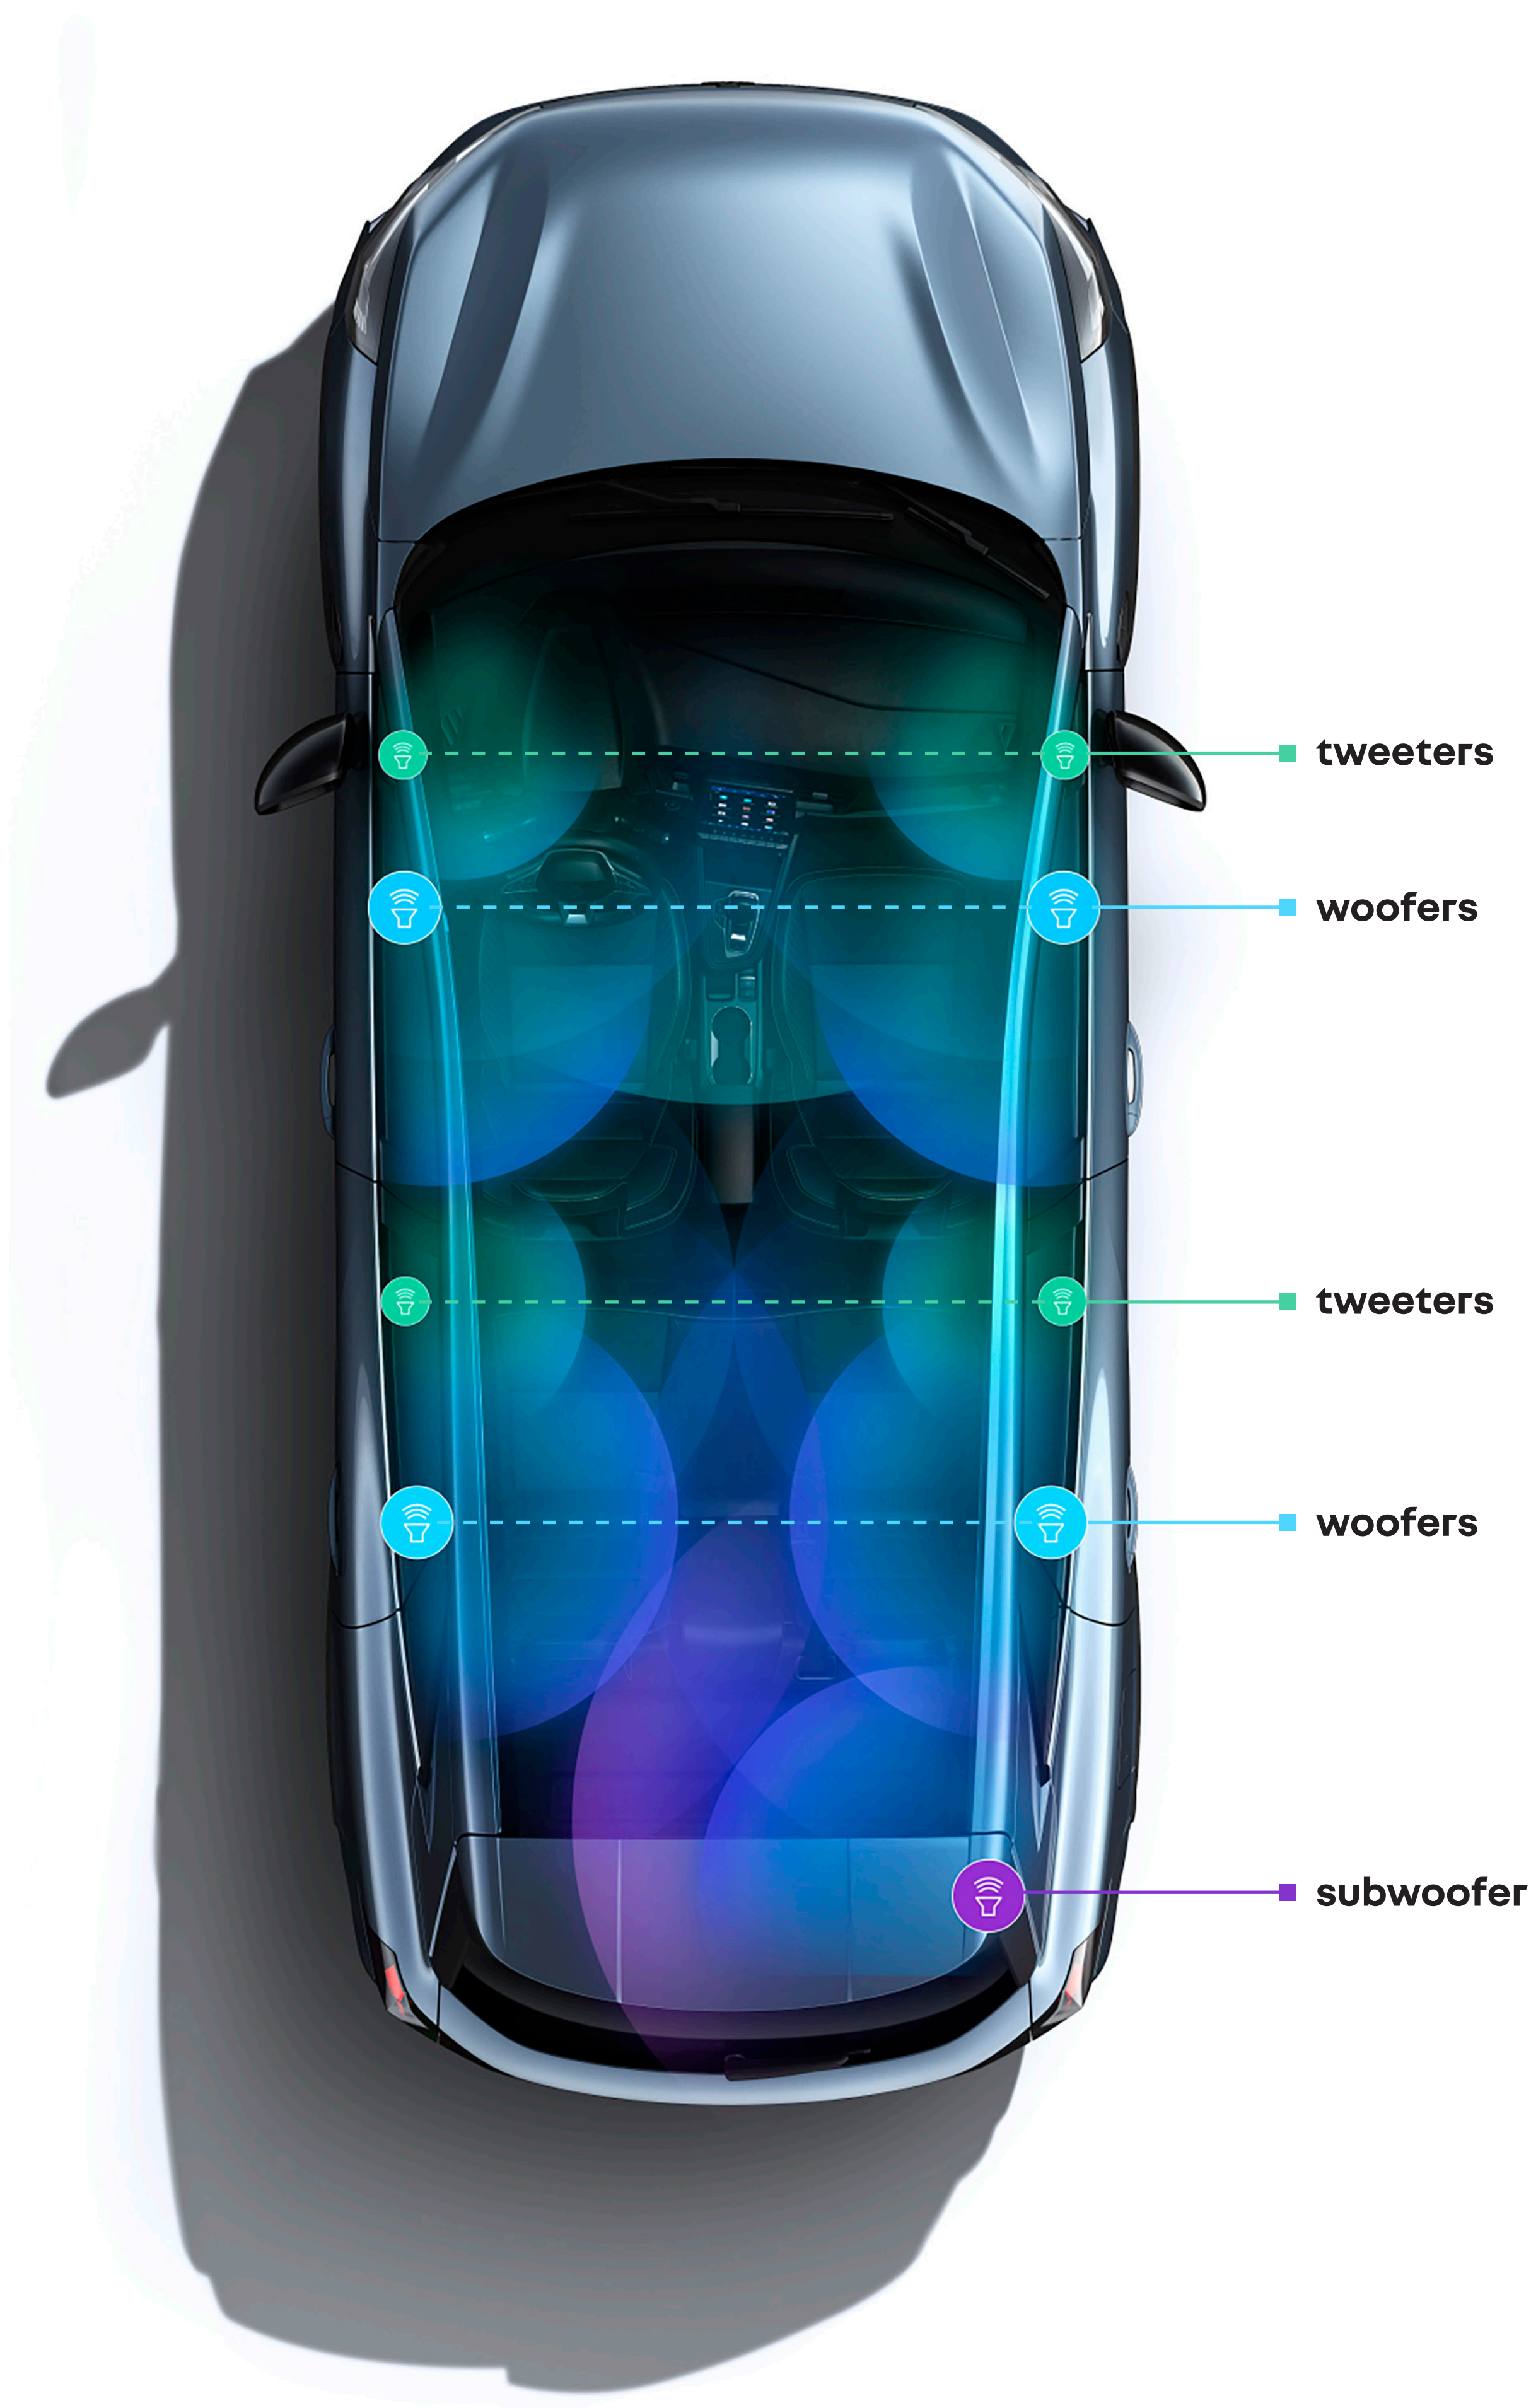

The passenger compartment has an induction charging point. Lay down your smartphone and your device stays charged wirelessly and without interruption.

(1) available as an option. (2) My Renault, Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. Google, Google Maps, Google News, Waze and other brand names are all trademarks of Google LLC.

Immerse yourself in the exclusive Harman Kardon® sound experience and enjoy the most beautiful emotions: 9 speakers distributed throughout the cabin and designed to deliver the same captivating sound quality in each seat.

openR link multimedia system with Google built-in

The 10.4" central display and the 10" digital TFT dashboard connect you to the best of technology thanks to the openR link multimedia system with Google built-in⁽¹⁾. Enjoy more than 50 apps for a shared experience.

Google Maps⁽²⁾ provides accurate navigation even if the network goes down, informing you of road closures, changes to the direction of traffic, road works, etc.

"Hey Google..." Talk to it to plan a trip, change driving mode or adjust the opacity of the solarbay[®] panoramic sunroof. The voice assistant is there for you.

Over 50 apps with exclusive content are available via Google Play⁽³⁾, including Waze, SongPop for Renault, and Amazon Music.

Waze is a community-based navigation app that shares information in real time. Waze boosts your peace of mind.

Drive to the beat with our new musical game – **SongPop** for Renault. Play together and rediscover popular songs with your family and friends!

Take to the road while listening to playlists, and much more, with **Amazon Music**, included with your Amazon Prime subscription.

Get all the latest sports news live in your car with the **L'Équipe** for Renault app.

Vivaldi browser is an efficient, fast Web browser that respects your privacy.

Access all your favourite radio stations live, at any time, in France or abroad, with **Radioplayer**.

Kabriol is the first audio-geolocated tourist guide for children. Hundreds of stories and geolocated information to keep you busy in the car.

Discover the stories around you with **Karacal's** geolocated sound bubbles. Make every journey a new adventure.

Ready to play? Quizzes, riddles and challenges await you! With Renault and **Les Incollables**[®], travelling is fun for all the family.

With **EasyPark**, you can plan and book millions of parking spaces across Europe. Enter your destination's address or navigate using the map.

Sybel is a unique platform to find your favourite podcasts, and discover exclusive original creations, audio books, new documentaries, etc.

(1) Google, Google Maps, Google News, Waze and other marks are trademarks of Google LLC. (2) My Renault, Google Maps and Google Assistant connected services are provided free of charge for 5 years from the date of delivery of your vehicle. (3) The use of applications downloaded from Google Play requires a dedicated data package. To use these apps, share your phone's connection with your Renault. You can also take out an offer with our partner, Orange (non-binding offer), the first 3 GB of which are free (valid for 6 months).

the space adapts to you

The spacious passenger compartment has the ideal dimensions and modular design for perfect versatility, with electric front seats⁽¹⁾, 22 cm of legroom in the rear and a folding rear bench seat. The innovative upholstery in bio-sourced materials combines comfort and elegance.

With the rear bench seat folded down, you have a total volume of 1,582 litres⁽²⁾ to carry your luggage, groceries or equipment. The practical hands-free system allows the tailgate to be opened with one foot movement.

Save space in a flash. Thanks to the sliding rear bench seat with 16 cm of travel, the boot capacity is increased from 492 litres to 624 litres.

(1) depending on version. (2) with bench seat folded down.

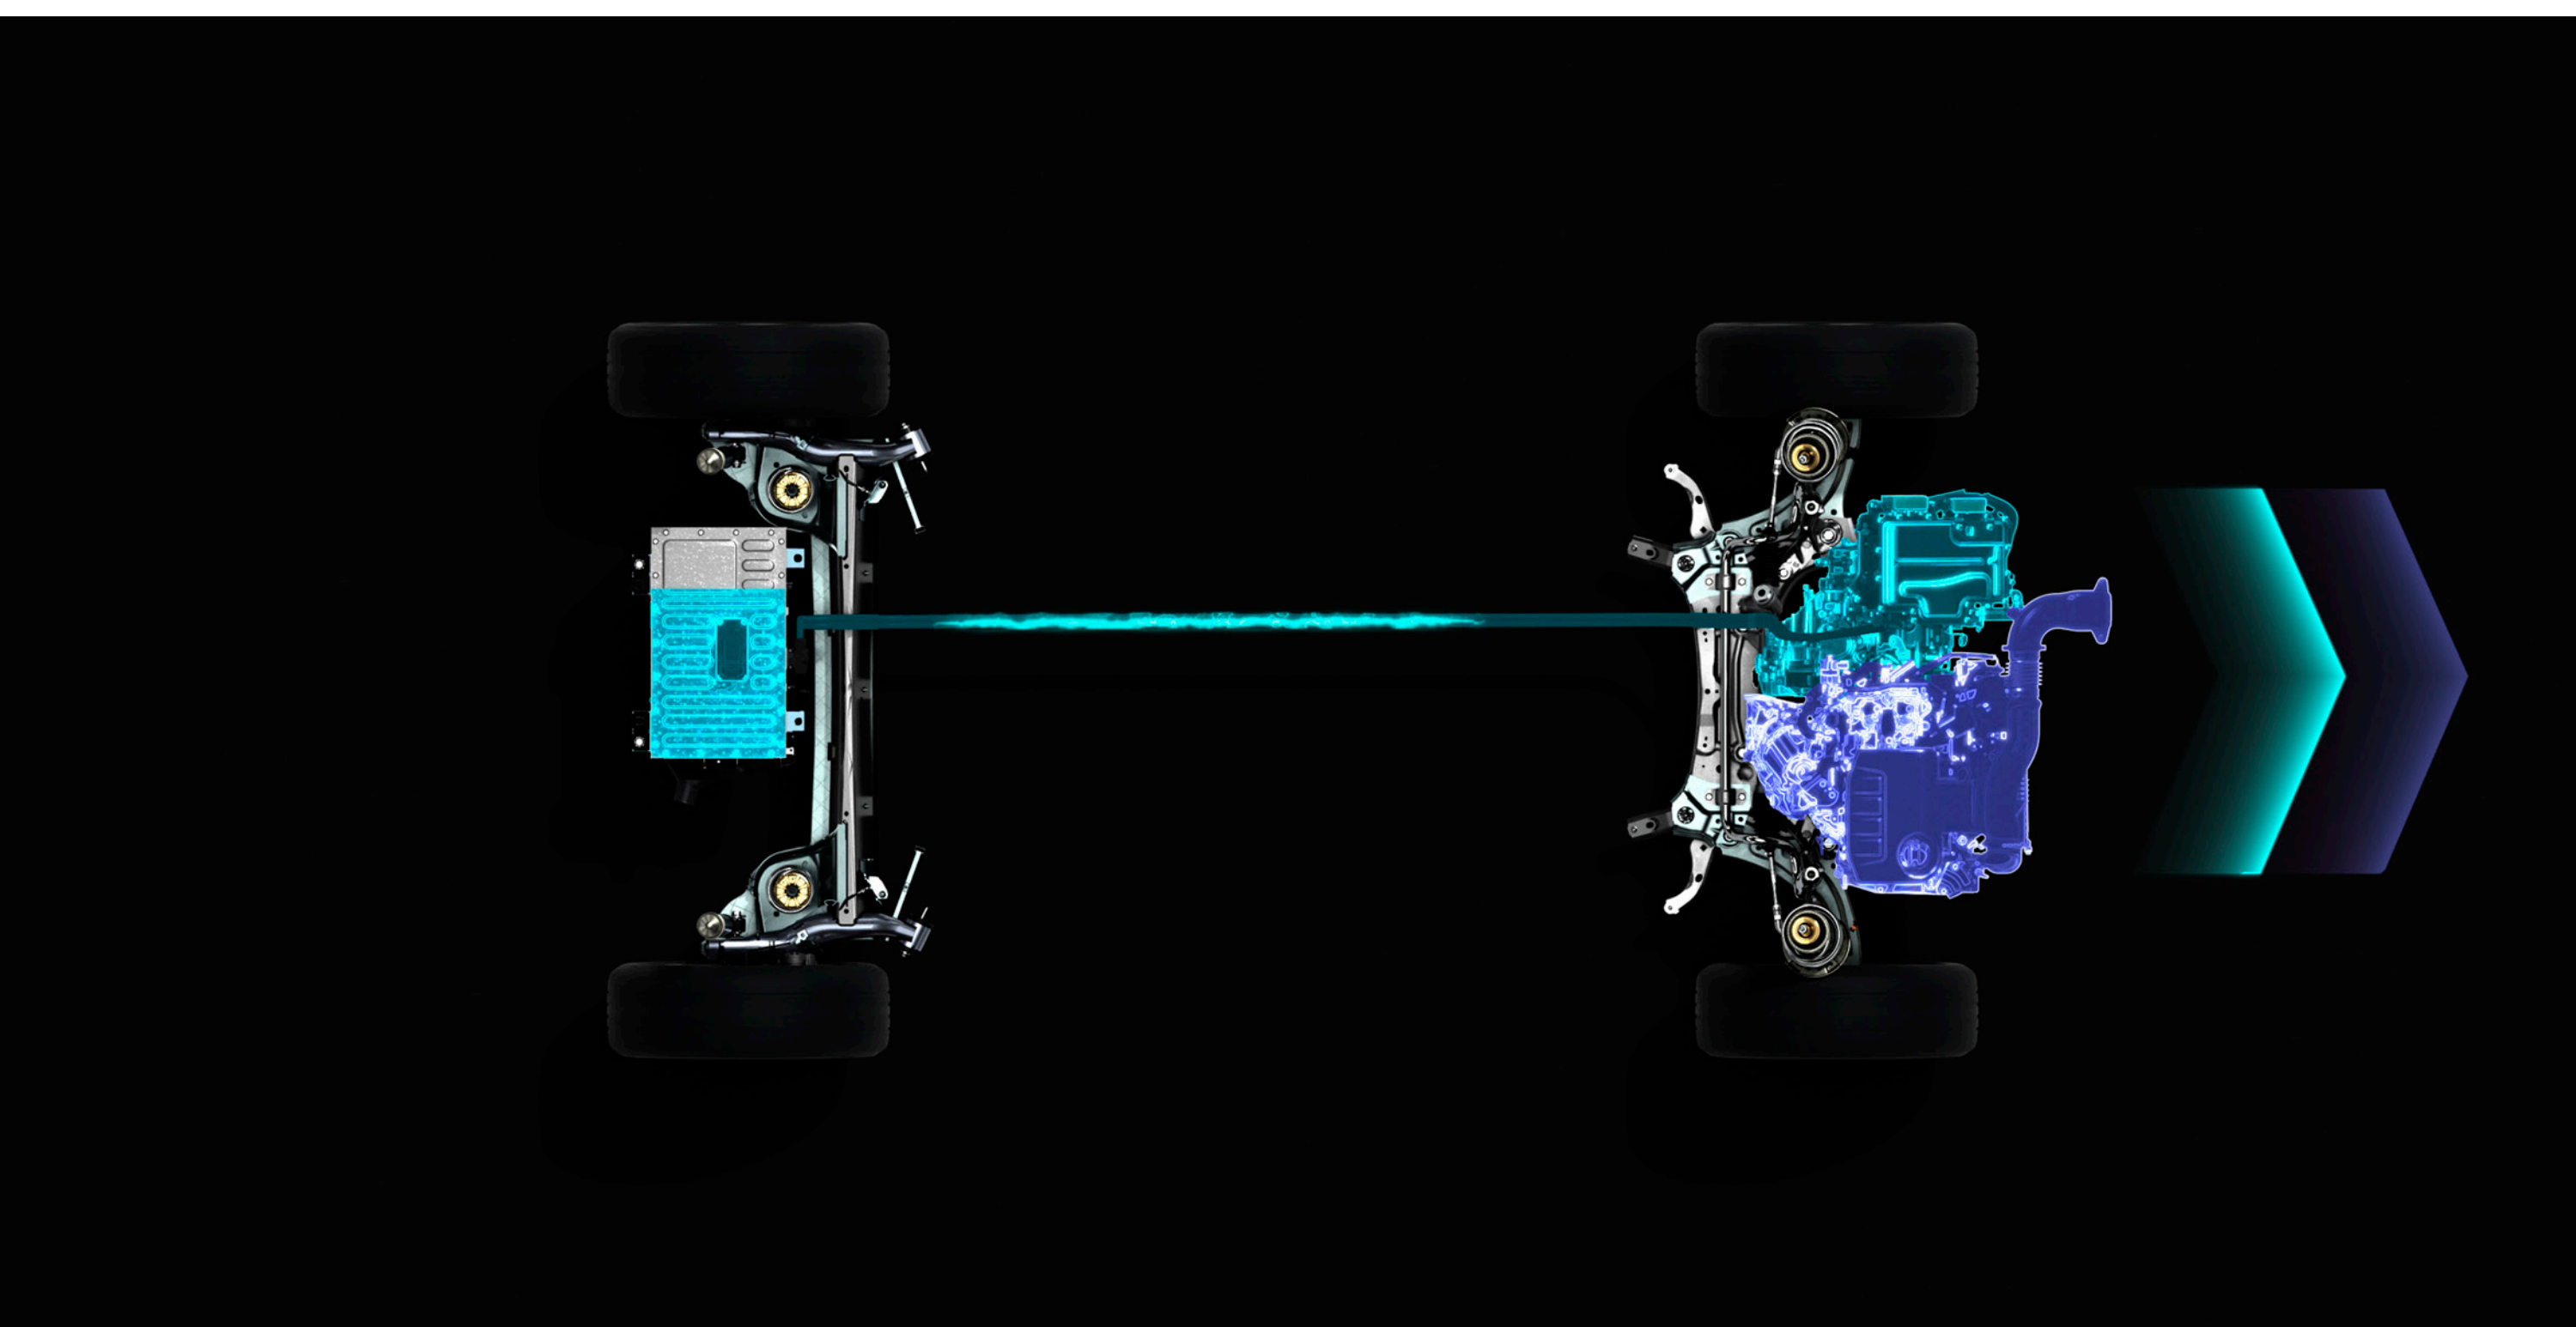

05. driving pleasure

E-Tech full hybrid engine

E-Tech full hybrid 145 hp	up to 80% electric driving in town	up to 60 km/h in electric mode
up to 1000 km of driving range ⁽¹⁾	from 4.7 litres/100 km of fuel consumption ⁽²⁾	from 105 g/km CO ₂ emissions ⁽²⁾

Treat yourself to hybrid driving with Renault Symbioz. Enjoy dynamic and spontaneous acceleration while reducing your fuel consumption and CO₂ emissions. In town, drive electric for up to 80% of the time and save up to 40% on fuel⁽³⁾. Thanks to regenerative braking, the battery recharges automatically when you brake or decelerate. No need to plug your vehicle into a power outlet.

(1) with a full tank of petrol according to WLTP data. (2) in the process of approval. (3) for an E-Tech full hybrid engine compared with a mild hybrid auto engine, according to WLTP City protocol / UTAC & IDIADA source / September 2022.

detect, inform, guide

The "safety score" assesses your ability to drive safely by analysing information about speed, trajectory and safety distance as you drive. At the end of each trip, it displays your score from 0 to 100 to help you improve your driving.

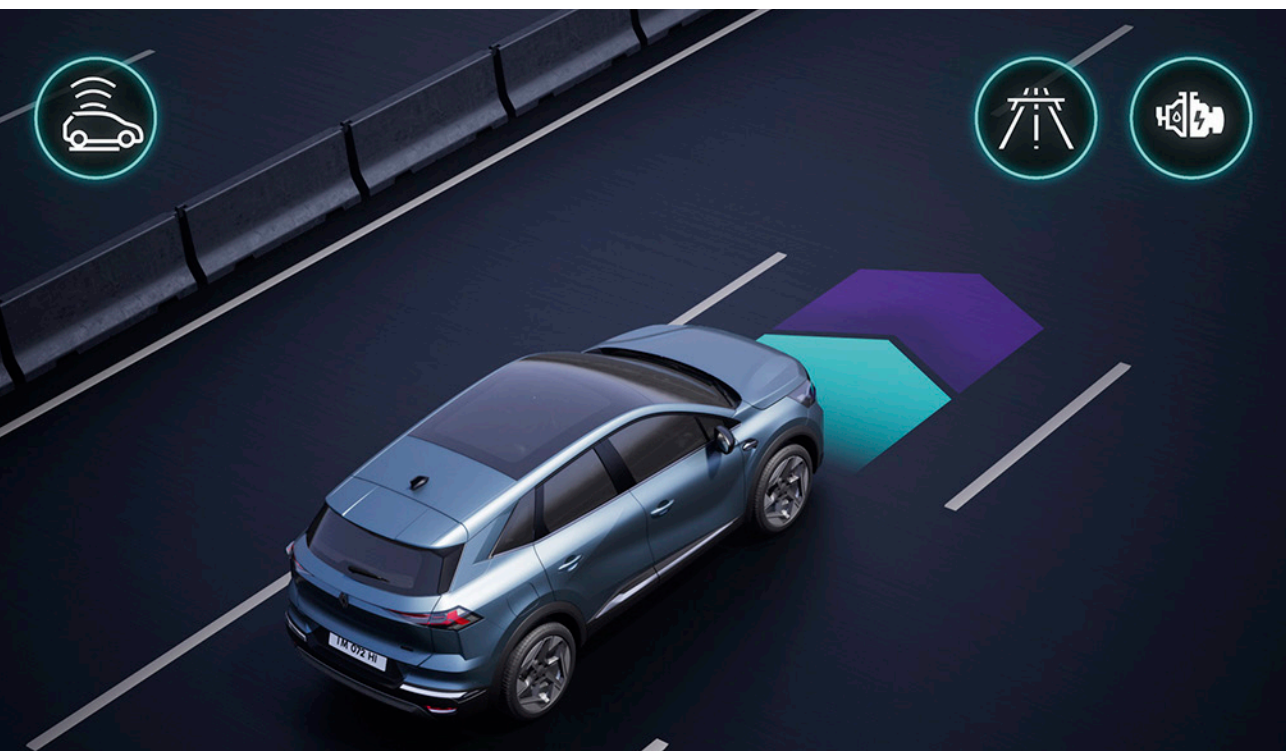

The "safety coach" helps you to improve your driving by using the safety score and informs you in real time of the potential risks on your route, based on the surrounding data.

29 advanced driver assistance systems

active driver assist
This system regulates your speed by taking the road environment into account, maintains safe distances and ensures you remain in lane. When traffic slows down, the vehicle stops and restarts automatically.

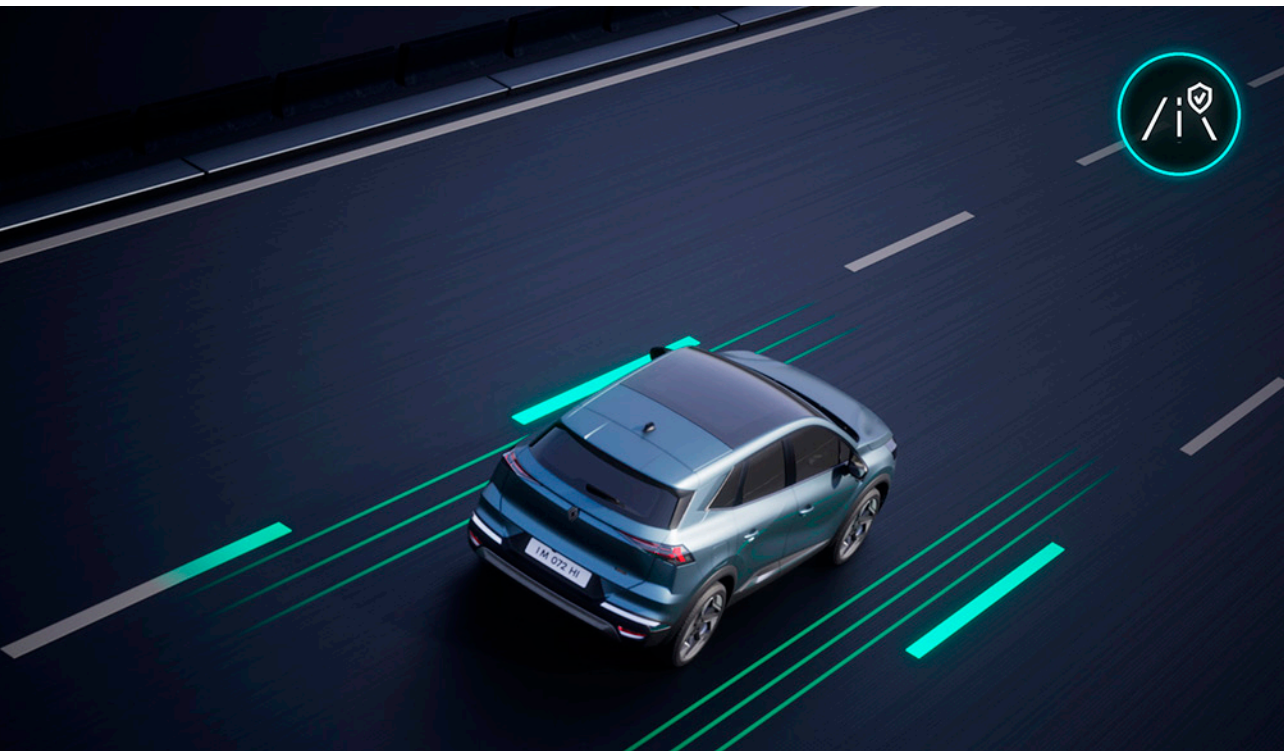

predictive hybrid driving
Your car anticipates combustion engine, hybrid or 100% electric driving by continuously analysing your route to establish the time at which you shall drive through a town or whether you risk encountering a particular topography or a traffic jam. As a result, you improve the fuel consumption and performance of your vehicle.

360° around view camera
The 4 cameras, whose images recreate the vehicle's direct environment 360° around it, allow you to perform your manoeuvres effortlessly.

automatic emergency braking when reversing
This system detects obstacles at the rear and stops the vehicle automatically in the event of danger.

lane keeping assist
This system corrects the angle of the steering wheel, returning the vehicle to its lane unless you have indicated.

occupant safe exit alert
This system alerts you if a vehicle is approaching from the rear when you want to open the door.

accessories

exterior customisation packs and premium side steps
Shape Renault Symbioz and accentuate its dynamism with the bumper skirts front and rear, and the door mirror caps⁽¹⁾ from the external customisation pack. With the premium side steps, enhance its design and easily access roof loading.

tool-free removable towbar and quickfix roof bars
Tow your equipment, your leisure gear or a boat in complete safety thanks to the range of towbars specifically designed for Renault Symbioz. With quickfix transverse roof bars, you can easily transport a bike rack or roof box.

easyflex modular boot protection
Essential for protecting the boot of your vehicle and transporting bulky and dirty items. Compatible with both boot floor positions, it folds and unfolds easily and covers the entire loading area.

stainless steel boot sill and boot storage nets
Made to measure and sturdy, the stainless steel boot sill elegantly decorates and protects the boot entrance when loading items. Horizontal or vertical storage nets hold objects in place during transport.

rear passenger accessories
For a premium experience, opt for the Alcantara rear headrest cushion, providing support and comfort. Transform the armrest into a stylish backpack for practical and stylish storage of your items. The multifunction organiser has a number of clever places to store all of your everyday items.

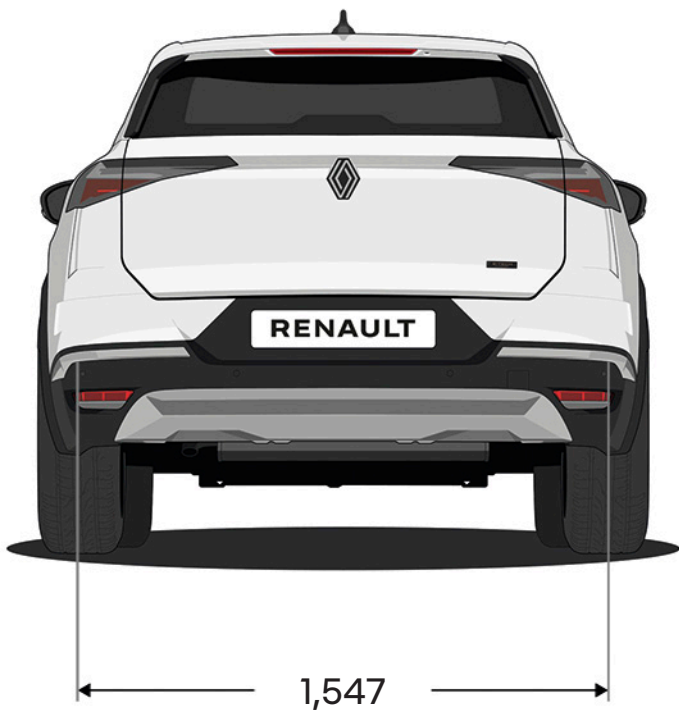

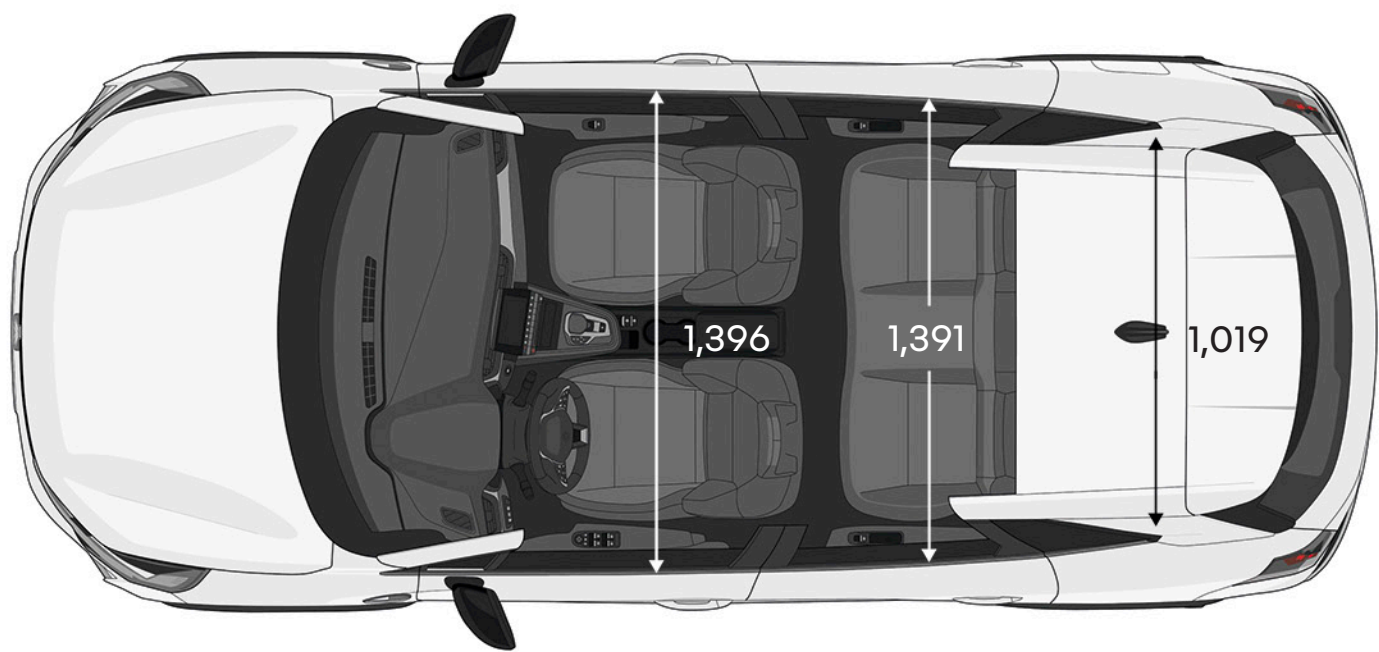

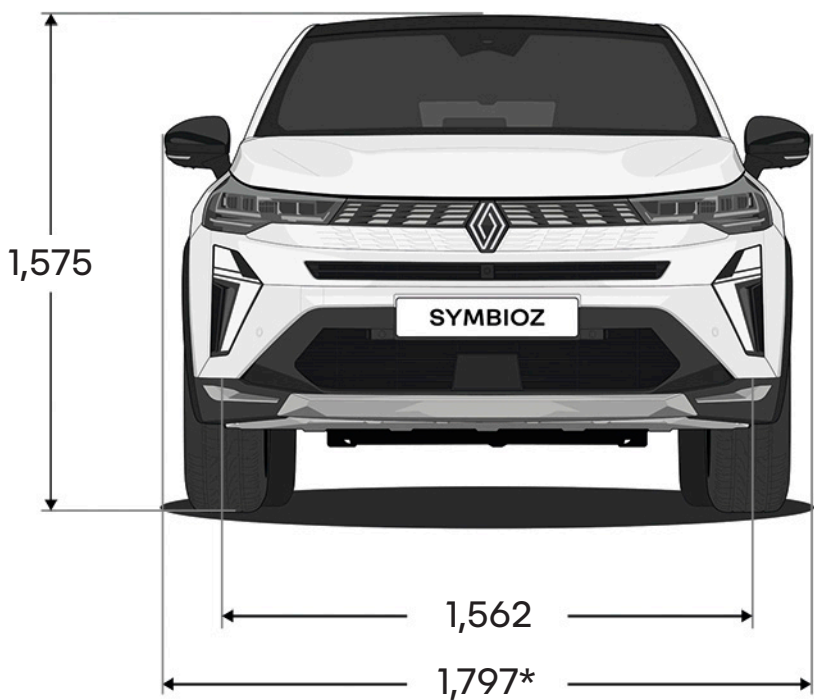

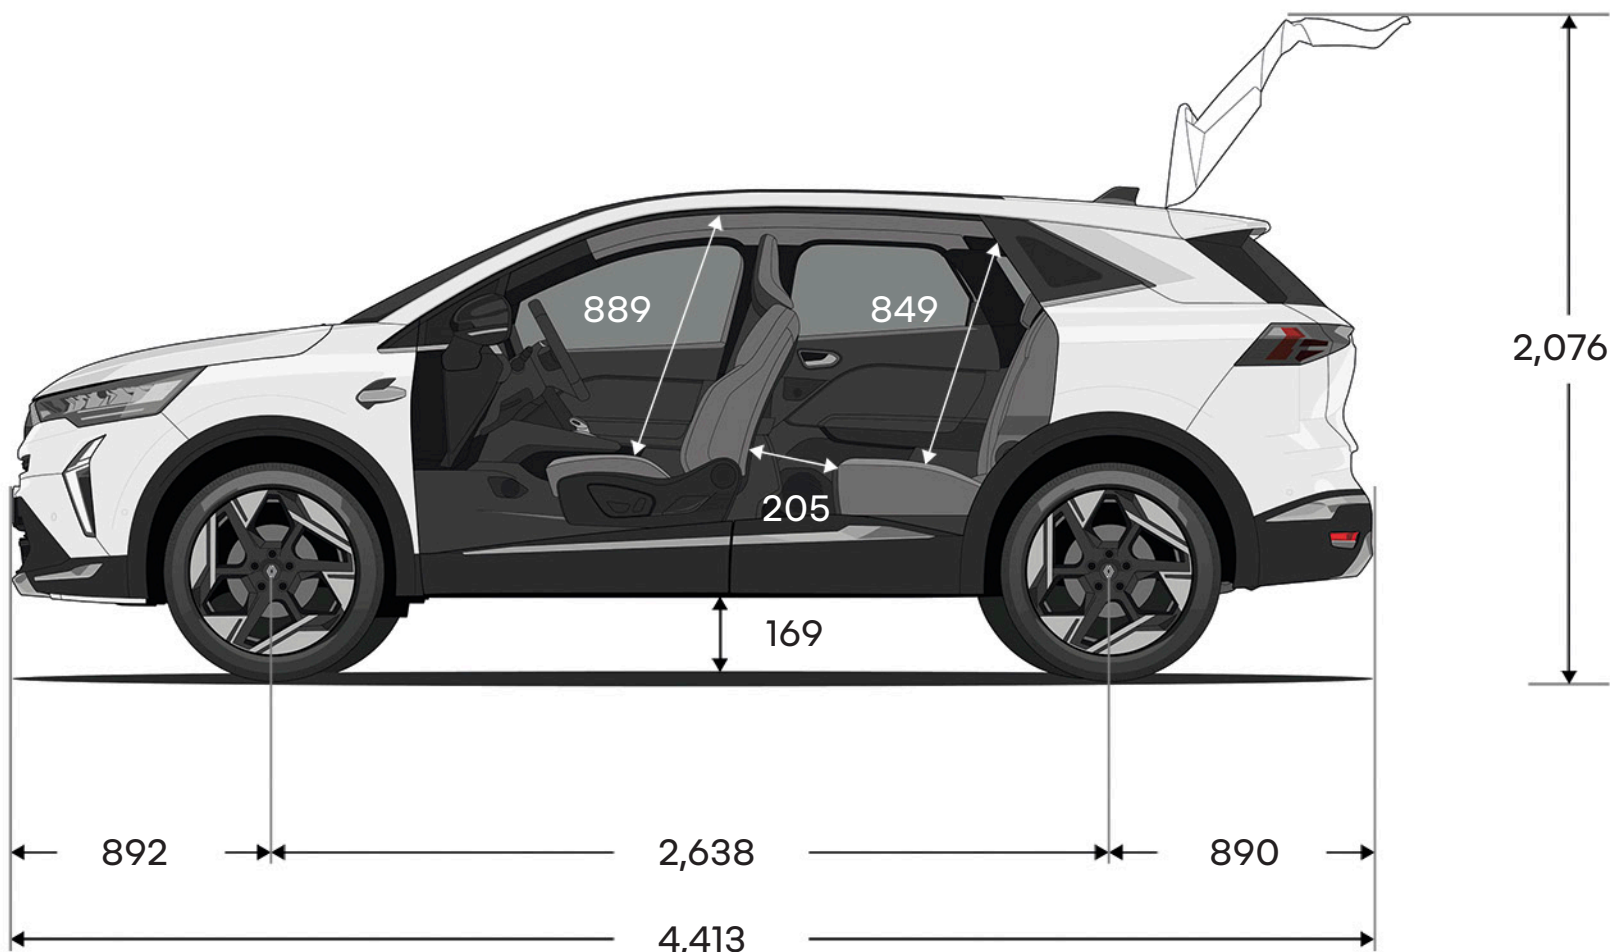

(1) pearl grege and highland grey door mirror shells available in December 2024.

human first program is a comprehensive safety programme developed by Renault in collaboration with researchers, experts and fire services.

Because road safety concerns all road users, whether pedestrians, cyclists or motorists, human first program by Renault is committed to:

1. preventing accidents by developing safety equipment and advanced driver-assistance and safety systems

up to 32 advanced driver-assistance systems/more than 60 safety features, up to 7 airbags, child seats (Isofix), Renault Fixe4sure solution / more than 2,000 safety-related patents filed since 1970

2. managing accidents once they have happened by drawing on innovations developed in collaboration with the fire service

QRescue / Fireman Access / more than 5,000 firefighters trained over 10 years in 19 countries worldwide / around 400 cars donated per year for their training

3. reducing the number of accidents and their severity by investing massively in R&D

safety score / safety coach / connected services / big data / artificial intelligence and cybersecurity systems
