## The design: sportiness meets modern luxury.

The exterior design is defined by clean lines and elaborately sculpted surfaces. This minimalistic design idiom brings together luxury and sportiness with ease. The dynamic front section, an extended wheelbase and sporty powerdomes give the new C-Class its clear forward thrust.

A photograph showing the interior of a Mercedes-Benz C-Class Saloon. The view is from the driver's perspective, looking towards the front passenger side. The dashboard is dark with three circular air vents in the center. A large, vertical touchscreen is mounted in the center console, displaying a navigation map and various controls. The steering wheel is visible on the left, featuring the Mercedes-Benz logo. The car's interior is finished with dark leather and a blue textured fabric on the lower part of the dashboard. A person's hand, wearing a bracelet and rings, is visible on the left side, resting on the center console. The background shows a red-tinted street scene with buildings and a red brick path.

# The interior: the expression of progressive comfort.

The digital cockpit, the large touchscreen in the centre console and a progressive concept for the trim make it absolutely clear: the new C-Class Saloon embodies modern luxury.
