Rear Diagonal twin circuit brake system with: disc brakes for 1.0TSI(110PS) and 2.0.TSI / drum brakes for 1.0(80P

**Technical data refers to the entry-level model standard equipment and may differ according to the level of equipment.**

**The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP), a more realistic test method for measuring fuel consumption and CO<sub>2</sub> emissions. WLTP replaces the previous NEDC test method. The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption and CO<sub>2</sub> emissions produced.**

**Technical data are subject to change without notice**
